# Summary of Information

Heroin in liquid form is on plane inside a white cabinet with a silver handle. Fake powder surfaces/packaging conformed in this area. The Crisp/Cry contained in a dark hidden compartment. ~~Surfaces~~ They are wrapped in waterproof blue plastic packages the size of ~~Apple~~ Mars cubes. Counter Intelligence Initiative should be utilized. It would be best to buy the vessels while traveling (en route) because the end result would be a greater loss of money for the drug dealers. These vessels do intend to meet to exchange drugs within the next 2-4 days.
